

## Packaging

# Traceability of cardboard packaging

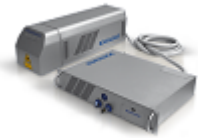

EOX is the unique laser able to mark the cardboard. Thanks to the bigger focus beam it can mark a label in short time with a good resolution with the carbonization of the paper surface.

EOX 10W

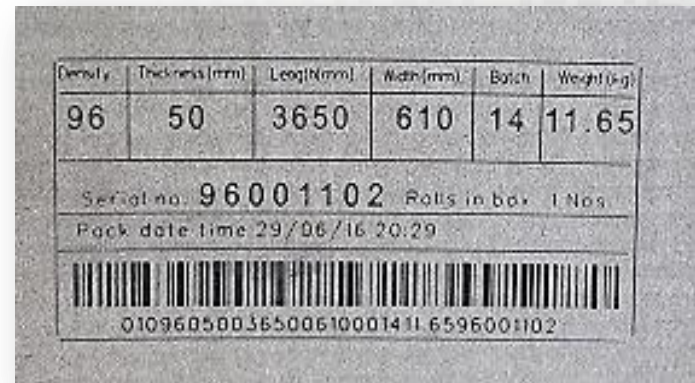

LENS: 200 mm

MARKING TIME: 16 s

MATERIAL: Paper

Density	Thickness(mm)	Length(mm)	Width(mm)	Batch	Weight (Kg)
96	50	3650	610	14	11.65
Serial No.:		96001102		Rolls in Box : 1 Nos.	
Pack Date Time:		21/02/2016 09:25
