

Delivering Machine Vision & Product ID Solutions

**3 LUCKY
PRE-REGISTERED
ATTENDEES WILL
WIN PRIZES***

Cognex is the world's leading provider of vision systems, software, sensors, and industrial barcode readers used in manufacturing automation.

Cognex vision helps companies improve product quality, eliminate production errors, lower manufacturing costs, and exceed consumer expectations for high quality products at an affordable price. Typical applications for machine vision include detecting defects, monitoring production lines, guiding assembly robots, and tracking, sorting and identifying parts.

**PRIZES - High Resolution 12MP Lab Kit (\$15,000+ value), or IS2000 Vision Sensor Lab Kit (\$3,000+ value) or a BONUS PRIZE*
