

AUTOMATION PRODUCTS

Our customers are turning to automation to streamline their operations, increase efficiency, and improve quality while simultaneously responding to industry challenges like labor shortages and supply chain issues. HTE Technologies has the technology, partners, and support team to help you take your automation to the next level.

Barcode & RFID

- Fixed & Handheld Barcode Scanners
- Fixed & Handheld RFID Readers
- Multi-Frequency Processors
- RFID Systems
- Laser Barcode Scanners
- Ultra-Rugged Barcode Scanners

Connectivity & Interfaces

- Adapters
- Connectors: Heavy Duty, Wire/Splicing, Modular Media
- Junction Blocks
- Power Supplies, UPS & ECBs
- Terminal Blocks
- Bulkheads
- Cordsets, Cables & Receptacles
- Panel Interfaces
- Relays & Optocouplers
- Terminating Resistors
- Tees & Y-Splitters

Conveyors

- Fabric Belted
- Precision Move
- Flexible Systems
- Sanitary Stainless Steel
- Modular Belt

Industrial Wireless & Communication

- Distribution Systems
- Network Blocks & Switches
- Wireless Devices & Kits
- IO Modules
- Touch Panels

Machine Vision

- Machine Vision & Smart Cameras
- Vision Processors

Motion Control

- Electric, Linear Servo And Multi-Axis Actuators
- VFD
- PLCs
- Industrial HMIs & GOTs
- Stepper & Servo Motors

Robotics

- Articulated Robots
- SCARA Robots
- Cartesian Robots
- Single Axis Robots
- Collaborative Robots
- Table Top Robots

Safety & Indication

- Industrial LED Task Lighting
- Light Curtains
- Safety Switches & Sensors
- LED Indicators
- Safety Laser Scanners
- Tower Lights
- Lidars
- Safety Over IO-Link

Sensors

- Capacitive Sensors
- Inductive Sensors
- Temperature Sensors
- Encoders
- Photoelectric Sensors
- Ultrasonic Sensor
- Flow Sensors
- Pressure/Vacuum Sensors

Accessories & Additional Solutions

- Automation Systems
- Precision & Industrial Couplings
- Power Management Meters
- Communication Adapters
- Digital Solutions Software
- Power Distribution
- Reflectors, Fibers, Optics

A Trusted Partner

At HTE Technologies, we have over six decades of experience delivering factory automation solutions, collaborative and industrial robots, and compressed air and abrasive blast systems for industries ranging from equipment manufacturers to pharmaceutical and chemical producers in the Midwest. Our broad portfolio of innovative products, backed by our experienced team and our industry-leading network of suppliers, means you can count on us to keep your business running.

That's not all. The HTE team, paired with the Tavoron group of brands, wants to partner with you throughout your automation journey. That's why we offer engineering, programming, fabrication, maintenance, parts, and rental services to optimize your systems performance.

Our Team is Here to Help

Whether you're interested in our products, services, or support – we're ready to answer your questions. With offices located throughout the Midwest, we are ready to help you select the right technology for your facility and support you through your automation journey. Let's get started.
